PROFILE

A software developer creating web and mobile applications, committed to teamwork and continuous learning

PROFESSIONAL EXPERIENCE

Baykar Technology, *Front-End Developer Intern* 07/2025 – 09/2025

I completed my first mandatory summer internship, working on web projects using Next.js, Tailwind CSS, jQuery, and Three.js. I focused on developing responsive interfaces and working on interactive 3D elements.

Kopernik Tr, *Front-end Developer Intern* 02/2025 – 05/2025

Working at a software agency specialized in designing web applications for corporate clients using HTML, CSS, JavaScript, and React.

Let's FutureUP, *Front-end Developer* 02/2025 – 04/2025

Developing and maintaining web applications using React.js as a volunteer in a non-profit organization.

Wsolw, *Full-Stack Developer* 11/2024 – 02/2025

Worked as an intern at a newly founded startup, focusing on both front-end and back-end development. Utilized Next.js for the front-end and Express.js with PostgreSQL for the back-end.
